D.O.No. M-12018/02/2019-RH(M&T) (Part) (e-390818)

Dated 30th June, 2025

Dear Sir/Madam,

As you are aware that the Awaas+ 2024 survey is in its final states with most of the states/UTs completing the exercise within the set deadline. In this regard I would like to state that the SoP for corroboration of Self-Survey cases and conducting verification of assisted survey cases captured through Awaas+ 2024 Mobile Application under the Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) has already circulated to all the states/UTs vide letter dated 21st May 2025 (copy enclosed).

2. Further, I would also like to inform that the Ministry has already conducted Orientation sessions for the Checkers and Surveyors in most of the States and UTs to familiarise with the exercise of corroboration and verification.

3. I would also like to intimate that the timeline set for for completion of the process for corroboration of Self-Survey cases and verification of assisted survey cases in the Awaas+ 2024 Mobile Application is 31.07.2025.

4. I would, therefore, urge you to kindly issue necessary directions to the field functionaries in your state/UT to complete the exercise within the prescribed timelines. Ensuring timely completion of the exercise shall enable finalisation of the PWL and allocation of targets to achieve the goal of "Housing for All".

With deep regards,

Yours Sincerely,

Encl.: As above.

Subject: Corroboration of Self-survey cases and conducting verification of survey cases captured through Awaas+ 2024 mobile application under the Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) – Reg.

Sir/Madam,

I am directed to refer the above mentioned subject and to inform that most of the States and Union Territories (UTs) have already completed the Awaas+ 2024 household survey and identified the potential beneficiary household for this phase of the Pradhan Mantri Awaas Yojana- Gramin (PMAY-G). At this stage, the Self-survey cases needs to be corroborated as well as the verification of the survey cases is to be done.

2. In this regard, it is informed that the Ministry has developed the Modules for(a) Corroboration of Self-survey cases by the designated Surveyors and (b) Conducting verification of System flagged survey cases by designated Checkers and District/Block level officers. All the Self-Survey cases in a State are to be corroborated by the designated surveyors. In addition, all the system flagged cases are to be verified by the designated Checker of the Gram Panchayat (GP). **It is also informed that after completion of Self-survey corroboration and marking the GP as "survey completed", the Checker module would become active and the designated Checkers can visit the GPs for verification of all the cases flagged by the system.** The States/UTs are free to check/ verify cases beyond this actual number of flagged cases for which a request may be made to the Ministry to enable the provision. It is also clarified that a module is already present in the Block Login to approve cases wherein the surveyors themselves are the potential beneficiary to be covered under the Awaas+ 2024 survey.

3. The SOP for the Self-survey corroboration and Checker module are attached herewith. The State Governments and UT Administrations are requested to start the process for corroboration of the Self-Survey cases by designated surveyors and the verification of surveyed cases by designated Checkers and District/Block level Officers immediately.

Encl.: As above.
